What we have been learning

This month we have been learning about Stories, Pancake Day, Valentine's Day and Chinese New Year. We have taken part in some wonderful activities.

We made our own rainbow fish from one of our favourite stories, and we explored the three little pig story with the different materials in a tuff tray. Made our own yummy pancakes and decorated them with some different yummy toppings. We also designed our perfect pancake with different material.

We celebrated Valentine's Day by making love potions in the water and last week we celebrated Chinese New Year. We danced like dragons and made our own dragon acting out the Chinese New Year story. We even explored yummy Chinese food every day which was very tasty.
