What we have been learning

We have been learning about Easter and Animals this month. We had a great Easter Stay and Play with lots of lovely activities and yummy party food. We took part in lots of Easter activities such as making cards, making chicks, baking, and exploring an Easter sensory tray.

We have been learning about animals. We had to rescue the animals from the rice. We used pasta and lots of counting to feed our different jungle animals. We have even made yummy animal biscuits. The half term meant we got to explore the local community. We had great fun exploring the local park and all the wonderful equipment there. We walked carefully to the park from pre-school.

In May we will be learning about superheroes and princesses and dinosaurs and minibeasts.
