

Dear Parents

We are committed to delivering the highest quality care for your child every day here at Perins Pre-School.

We aim to keep our fees as low as possible for our parents, however, the rising costs are proving a challenge for many settings across the country. To ensure your child continues to receive the highest standard of childcare from the best practitioners, and so we can continually enhance our Pre-School environment and equipment, providing children with the best setting and opportunities to learn we will need to increase our fees from 1st September. We have made every effort to keep these increases as low as we possibly can.

September Rates:

Day rate 8am – 6pm	£82.00
Half day rate 8am – 1pm/1pm – 6pm	£45.00
Hungry Monsters charge for hot lunch	£3.50

Following changes to Early Years Funding, we have made the decision to remove the enrichment fee charges and move to a donation model from September 2025. Your current hourly rate of £1.25 for enrichment fees will be replaced with a voluntary contribution of £1 per hour that will contribute towards the ever-increasing running costs of the setting. Assuming you are a qualifying UK taxpayer, we will be able to claim Gift Aid on your donation. By moving to a donation model, this will allow us the increased flexibility on what we can offer and how we best meet the needs of your child. Whilst this is a contribution and not paying it will make no difference to the education your child receives; we do rely on your support to continue offering high quality and affordable childcare in Alresford.

If you feel you may experience difficulties with the changes, please let us know.

Should you have any queries, please do not hesitate to contact admin@perins-preschool.net

I would also like to remind you of the support for childcare provided by the government. Details of which can be found at www.gov.uk

I would like to thank you for choosing Perins Pre-School to care for your child.

Yours sincerely

Michelle Osman
